

## STUDIO CHARGES for Private Sessions

Instructors & Master Printers: **Nick Capaci & Jonde Northcutt**

The following prices are for private studio sessions (for up to three participants) with at least one master printer's printing assistance in either Monotype or Intaglio (water etching). We are not able to accommodate more than three artists for private sessions.

---

### Monotype / Monoprint

**Set-up & Clean Charge:** \$125 (please refer to Intaglio section below)

**Hourly Charge:** 3 hour minimum (to nearest half hr). Includes inks and printing assistance.  
\$125 per hour (one person)    \$200 per hour (two people)    \$275 per hour (three people)

**Paper:** Archival (white) printmaking paper.  
11"x15" @ \$.75, 15" x 22" @ \$1.50, 22" x 30" @ \$3.00, 29" x 41" @ \$8.25

Example of Monotype Studio Charges for <b>One</b> Person (paper is additional).	
3 hours @ \$125 per hour:	\$ 375.
Set-up/Clean-up:	\$125.
TOTAL:	\$ 500.

---

### Intaglio (water etching)

**Set-up & Clean Charge:** \$125

Set-up & Clean Charge is in addition to the hourly rate and includes preparation of ink palette, paper and general studio set-up and clean-up. Clients are requested to NOT be present during these times. If you would like to print specific colors, please mail swatches ahead of your arrival so we may have inks pre-mixed to your personal color palette.

For Intaglio sessions, we suggest you mail your film positive or image ahead of your arrival so we may determine if any problems exist in the creation of your image.

**Hourly Charge:** 3 hour minimum (to nearest half hr). Includes plate making, inks and printing assistance.  
\$125 per hour (one person)    \$200 per hour (two people)    \$275 per hour (three people)

**Paper and Intaglio Plates** are available at the following charges:

**Paper:** Archival (white) printmaking paper. 11"x15" @ \$.75, 15" x 22" @ \$1.50, 22" x 30" @ \$3.00

**Plates** (water based polymer etching plates): 5" x 7" plates are \$10 each  
If you choose other plate sizes larger than 5"x7", you will need to purchase a full plate:  
16 1/2" x 23 3/8" @ \$80.

**Plate Cutting charge:** \$1.00 per cut (please note that our cutting tolerance is + or - 1/8").  
This plate will need to include a few small test plates in your cutting diagram.
